Wolverine and Cyclops have suddenly encountered the evil Magneto. Will the X-Men's combined powers be enough to stop their enemy? Create your own X-citing tale, then write it down in the space provided.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no text or other markings on the paper.

Unscramble the answers to the following questions!

1. Which of the X-Men *loves* junk food?
2. Which one has the ability to drain the powers out of others?
3. Which one can control the weather?
4. Who runs the mutant research laboratory on Muir Island, off the coast of Scotland?
5. Who is the leader of the Morlocks, the subterranean mutants that live in the sewers of New York City?
6. Who invented the mutant-hunting Sentinel robots?

1. LJIEBEU

2. UORGE

3. RMSOT

4. RD. AIROM GARTMCTAEG

5. CSTOLIAL

6. RD. LIVBOAR KRATS

Make and wear an X-Men badge!

1. Color the badges below. Then, with an adult's help, cut them out with a scissors.
2. To wear badges, take a piece of tape and roll it into a loop, sticky side out. Attach loop to the back of a badge and stick onto your shirt, sweater, or jacket.

Want to be an X-Man? All you need are a pair of scissors and some string—and you can be Gambit or Rogue for a day!

1. Color masks.

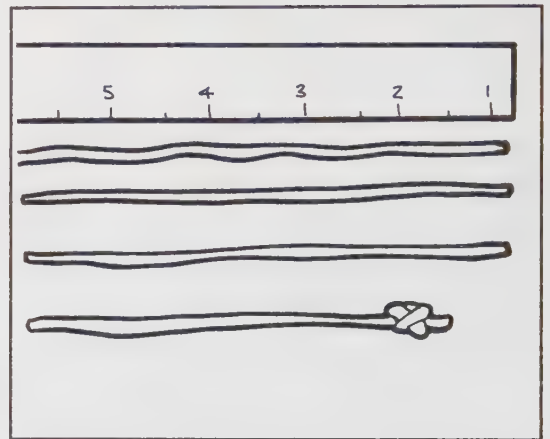

2. With an adult's help, carefully cut out the eyeholes as indicated on each mask.

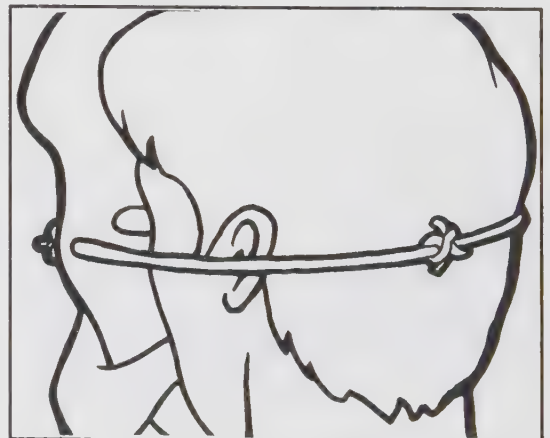

3. With the point of a scissors, carefully punch a small hole on each side of the masks as indicated.

4. Cut four pieces of string, each about 6 inches long. Tie a knot on one end of each piece.

5. Pull the string through the holes in each side, then tie the ends together at the back of your head.

Now you're ready to promote peace between humans and mutants. Go for it!

Bad news! The Brotherhood of Evil Mutants has infiltrated the X-Mansion. Study this picture carefully and then turn the page.

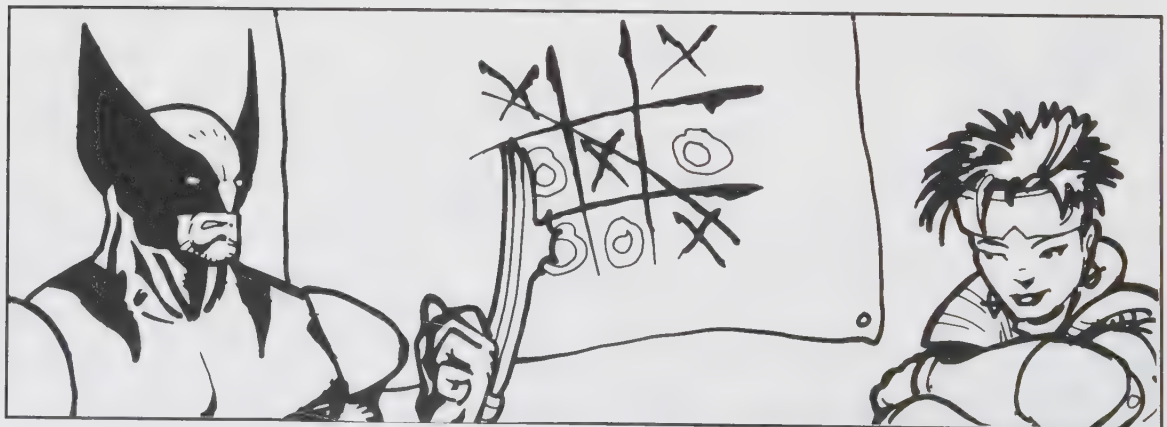

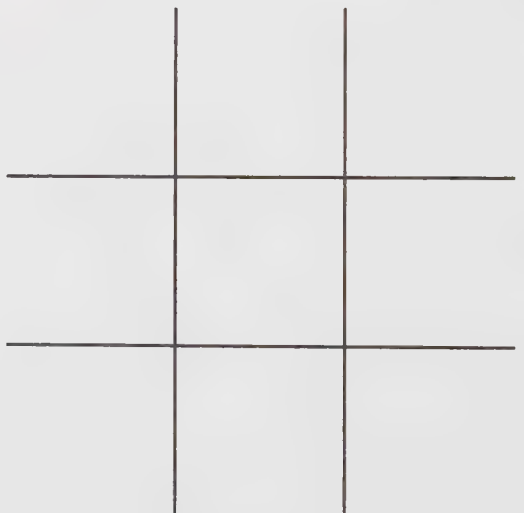

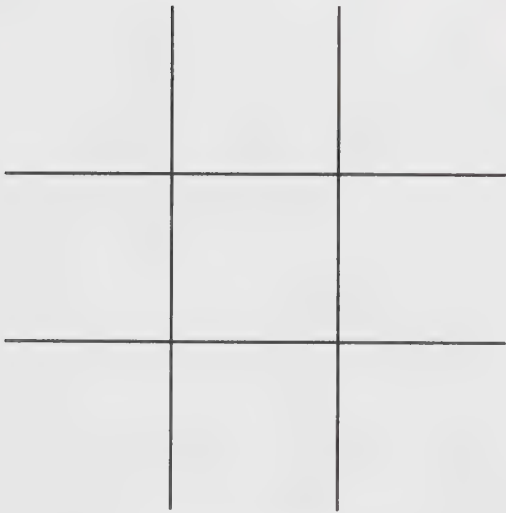

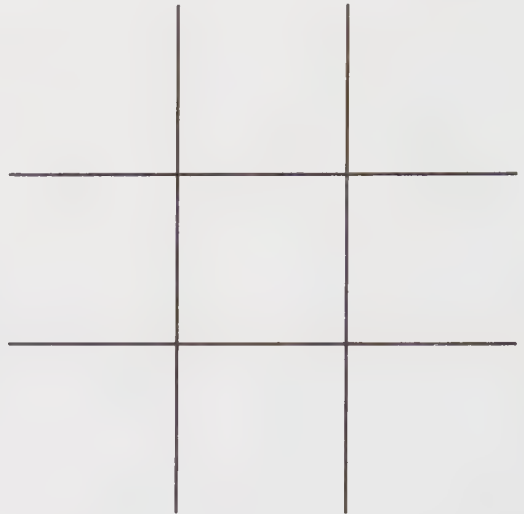

Without looking at the previous page, can you tell what Magneto has disturbed?

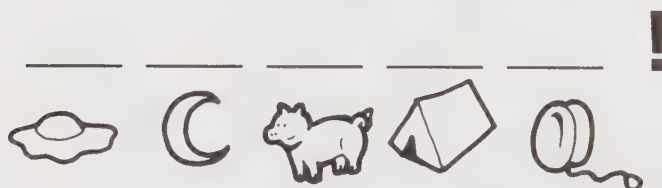

Can this Sentinel get past the X-Men and back to the Mutant Control Agency? Try to find the correct route through the maze. Don't run into any X-Men!

Next to fighting Sentinels, tick-tack-toe is the X-Men's favorite game! One player uses an "X" mark, the other uses an "O."
Take turns putting your mark in one of the squares below.
The first person to get three of their marks in a row is the winner.

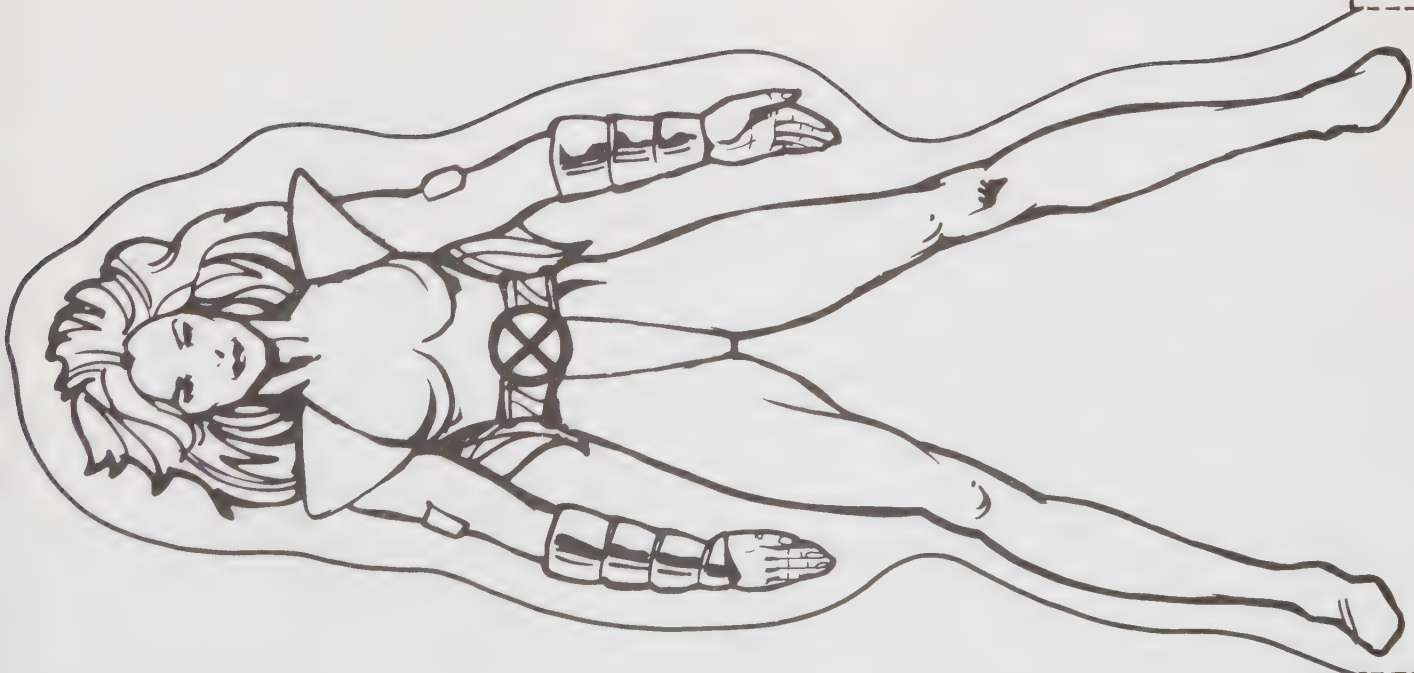

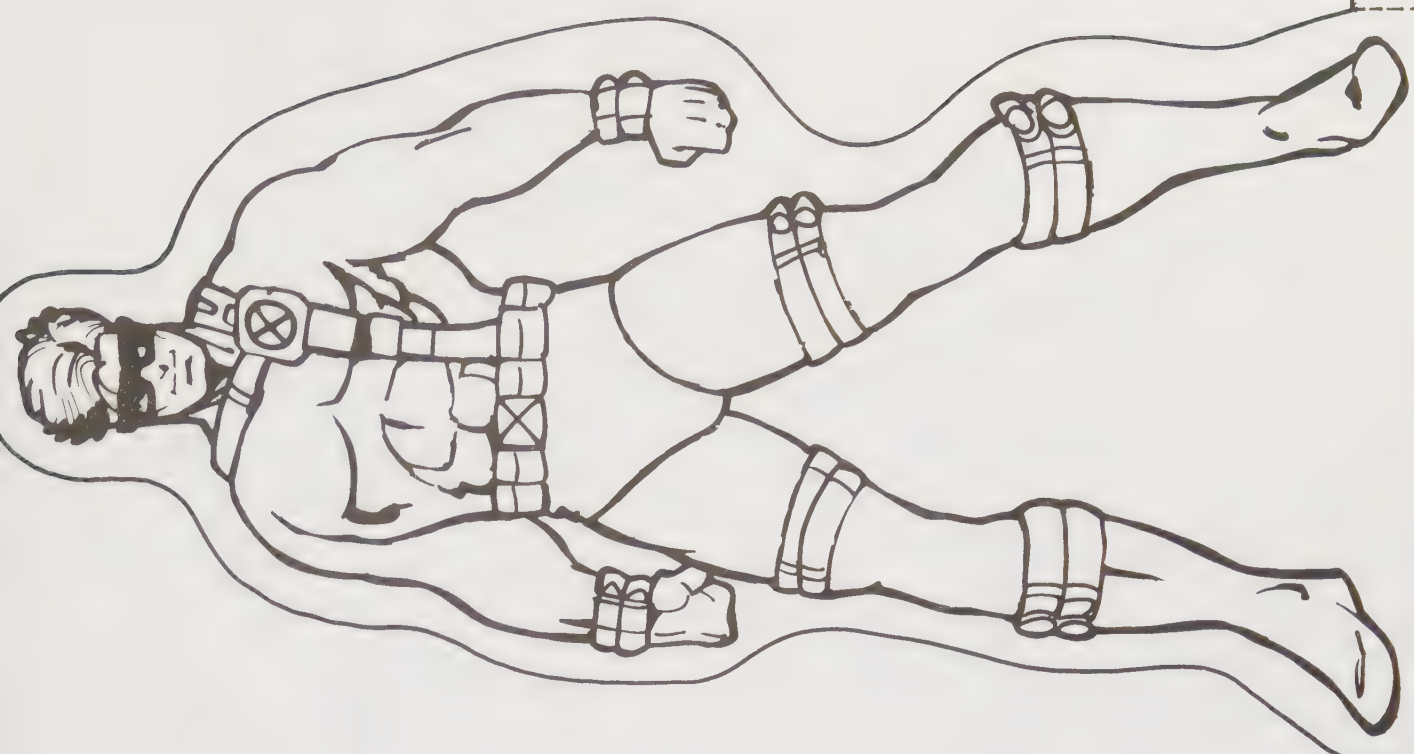

Uh-oh! Professor X was piloting the Blackbird when he saw something that made him flinch! To find out what, write the first letter of each object pictured in the space above it.

Here come the bride and groom! Cyclops and Jean have been going steady a long time and are planning to get married. Want to see how they'll look on the Big Day?

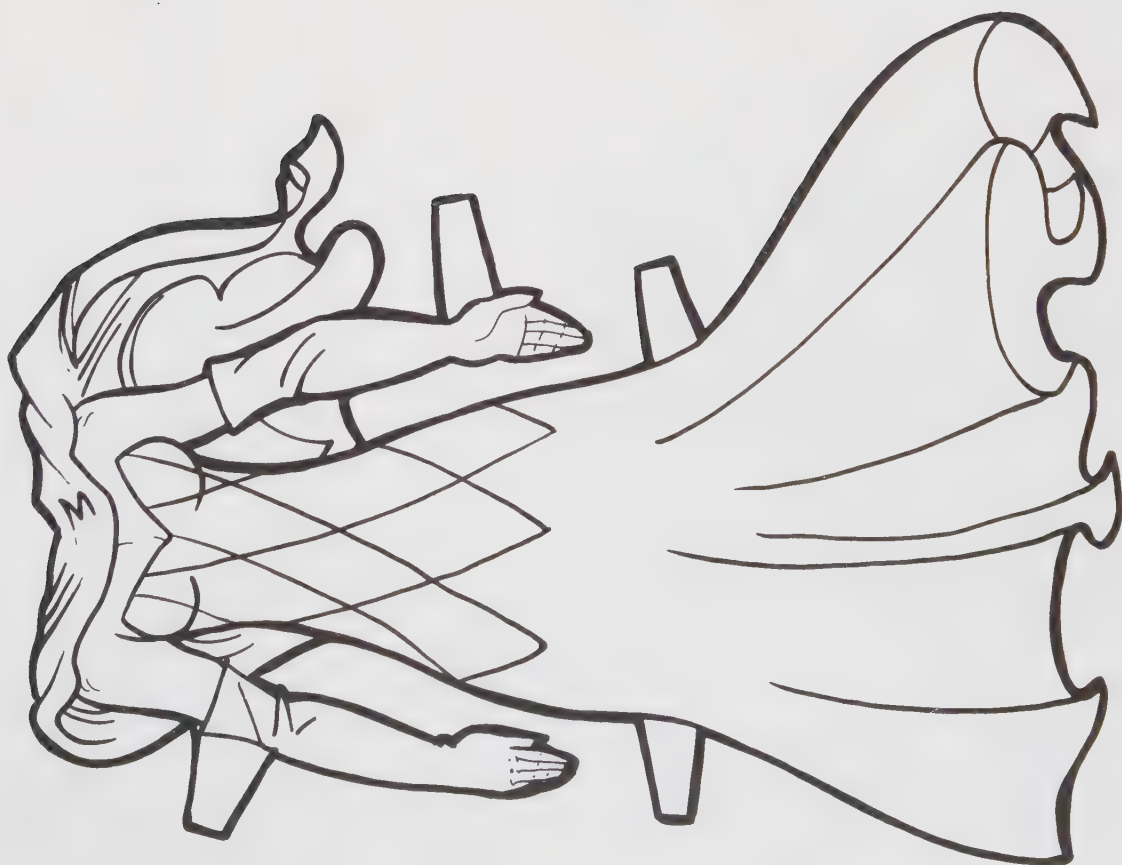

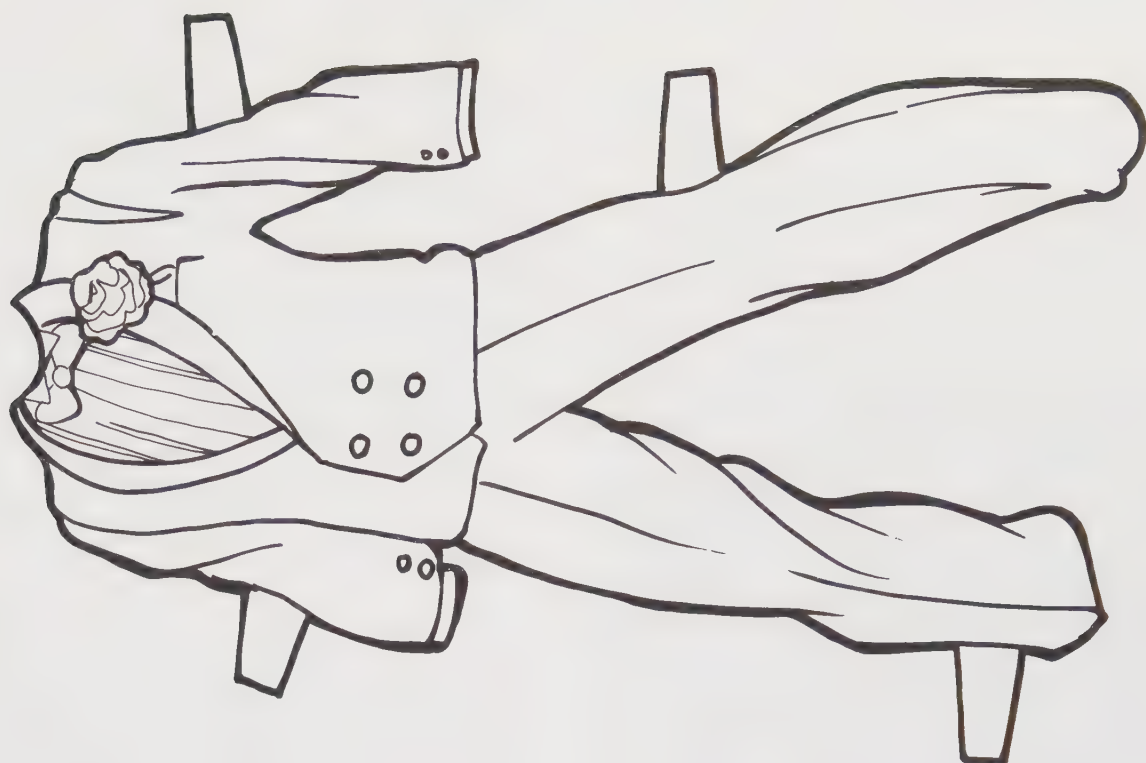

1. Color the figures and the clothes on the following two pages.
2. With an adult's help, carefully cut out the figures and clothes along their black outlines. Fold back the tabs along the dotted lines to make the figures stand up and the clothes stay in place.
3. If you want the figures to be sturdier, paste them to a piece of thin cardboard before cutting.
